Photography Release

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____

I do hereby irrevocably release the images made of myself or my minor dependent by Vitae Clinic of Austin subject to the following terms:

These photographs may be displayed for any educational purpose, for the personal promotion of the photographer, for contest or professional competitions, for incidental publication as an example in brochures and literature, website use, or other similar use. It is understood that for artistic or other purposes, the representation may be distorted, altered, abstracted, color altered, computer composited, computer altered, computer retouched, or colored. It is understood that none of these photographs will be used for commercial, advertising, commercial poster, or commercial print/slides sale or other "money making" activities without further negotiations and permissions from me.
